Description of Presentation

Title of Presentation: Becoming an Effective Teacher
Description of Presentation: This presentation will cover the basic four step approach to education, Preparation, Presentation, Application and Evaluation (formerly known as Testing). Whether you are an experienced educator , or just getting started this class should be able to offer something for all. As we all know retention is highest when students participate, therefore after didactic portion is completed, participants will then work in teams to present a short impromptu topic for the rest of the class.

Objectives: 1) The participant will be able to explain the importance of utilizing the four step approach.
2) The participant will be able to identify the traits used for effective teaching.
3) The participant will deliver a short presentation using effective teaching techniques.

Target audience: Instructor

Time requirement: 4 - 8 hour Pre-conference

Presented at Prior Conference : No

Teaching Method: Lecture / group activity
