Description of Presentation

Title of Presentation: Herbal Remedies: Is It Truly Helpful? Or Is It A Hindrance?
Description of Presentation: Today, more than ever, patients are getting involved with their care. With alternative medicine becoming a major part of our society we need to look at how this may affect our patient care. We will discuss what you really need to know about herbal remedies and whether it is truly helpful, or if it is in fact a hindrance!

Objectives: 1) The participant will be able to list why alternative medicine is so popular.
2) The participant will have an understanding of what Homeopathic Medicine really is.
3) The participant will be able to identify potential risks of using herbal remedies.

Target audience: ALS / BLS
Time requirement: 1 – 2 hours
Presented at Prior Conference : Yes - several
Teaching Method: Lecture
