Title of Presentation: "The Use of Games in Education"  
Description of Presentation: Retention is best when the student is actively involved in the education process. Competition always stimulates people to be the best. Using games to enhance education is both and educational, effective and entertaining.. This presentation will go over different games you can use and everyone will leave with a new game they can use in their classes.

Objectives:

- 1) The participant will be able to understand the relevance of fun in education..
- 2) The participant will be able to demonstrate techniques that improve a student's retention..
- 3) The participant will be able to develop a game they can use in their classroom..

Type Of Presentation: Breakout  
Projected Audience: Pre EMS Instructors; BLS Instructors; ALS Instructors; Training Coordinators  
Teaching method: Cognitive Interactive; Demonstration
